or you can drop off your form at any of our six locations.

Teller please return form to the Card Coordinators' Office in Meridian.

Branch: _____ Teller: _____ Detach the bottom portion and give to member.

Tips When Using Debit/Credit Cards While Traveling

Make a copy of the front and back of your cards and keep in a secure location. Just in case your card gets lost or stolen you will have all of the information that you will need. Correct phone numbers are: Debit - 1-800-554-8969 and Credit - 1-800-991-4964. Call right away to report that your card has been lost or stolen.

It would be wise to carry more than one form of payment for emergencies.
Suggestion: Travel money Cards or other Credit Cards.

Some ATM's overseas may only read the balance in your checking. If you know you will need money from savings we recommend you transfer from savings to checking before you leave. If the ATM has options to withdraw from savings or checking, funds can be withdrawn from the account you chose.

When you use your Debit card at merchants the purchase will be deducted from your checking account. For more security run your transaction as a credit- based transaction and sign for the purchase.

Keep your receipts from all transactions.

After you come back from your trip, keep an eye on your account for up to six months to monitor any unauthorized transactions.

Have a fun and safe trip!
